

**Remarks**

The title of the application is amended to correct the removal of the word "AN" before the word "INSERT" in the filing receipt mailed April 23, 2007. More specifically, the application was filed with the title "AN INSERT, A MACHINE AND A SYSTEM FOR THE PREPARATION OF BEVERAGES," but the filing receipt mailed April 23, 2007 listed the title of the application as "INSERT, A MACHINE AND A SYSTEM FOR THE PREPARATION OF BEVERAGES." This amendment returns the title of the application to its original form.

The specification is also amended to include a Cross Reference to Related Applications section. The priority data included in this section was present in the Application Data Sheet filed with the application on August 14, 2006 and reflected in the filing receipt mailed April 23, 2007.

Section headings are added to the specification in accordance with 37 C.F.R. § 1.77(b) and MPEP 608.01(a).

No new matter is introduced into the application by way of the foregoing amendments.

The Commissioner is hereby authorized to charge any additional fees which may be required with respect to this communication, or credit any overpayment, to Deposit Account No. 06-1135.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
